Dear Mr. York:

Subject: UIC Permit No. UTU-19AP-1C3C2E8
Notification of Intent to Drill a New Corehole (41C) and a new Extraction Well (42H)
DWQ Approval

In a letter dated November 6, 2012, the Division of Water Quality (DWQ) received a Notification of Intent to Drill a New Corehole (41C). This corehole will be drilled differently than previous coreholes in that it will be drilled with four (4) exploratory legs to maximize the opportunity to collect information for geologic evaluation. The plans have been reviewed and are hereby approved.

In a letter dated December 4, 2012, DWQ received a Notification of Intent to Drill a new Extraction Well (42H). The plans have been reviewed and are also hereby approved.

If you have any questions about this letter please contact me at (801) 536-4353 or wwcampbell@utah.gov.

Sincerely,

Woodrow W. Campbell
